

Ilex asprella Champ. ex Benth.

Published in Champ. (1852). In: Hooker's J. Bot. Kew Gard. Misc. 4: 329.

發現新物種的人, 未必能夠/懂得正式發表, 其後若有人替他發表, 會以此形式記錄.

Champ. [Champion, John George (1815-1854)]是原採集者/原命名人

Benth.[Bentham, George (1800-1884)]是正式發表的人

在 1833 年時, Hook. & Arn.已發表了

Prinos asprellus Hook. & Arn.

Published in: Hook. & Arn. (1833). In: Bot. Beechey Voy. 176-177, T. 36.

source: Catalogue of Life

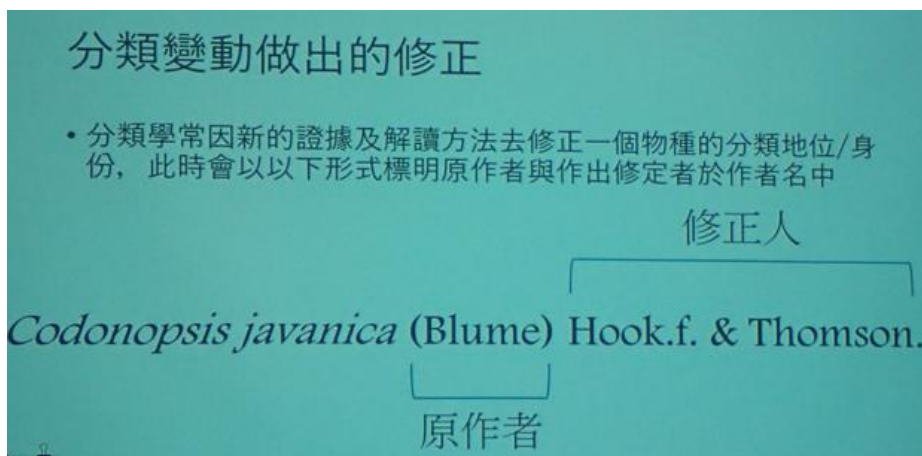

Synonym of *Ilex asprella* (Hook. & Arn.) Champ. ex Benth.

Bentham 幫手發表梅葉冬青時係覺得 *Prinos asprellus* 同 *Ilex asprella* 有分別.

其將 *Prinos asprellus* Hook. & Arn.才變成 syn of *Ilex asprella*

Ilex asprella (Hook. & Arn.) Champ. ex Benth.[香港植物標本室學名,

www.catalogueoflife.org] 都用了此名, 似不太合理.

Bentham 並不是修正原作者 Hook. & Arn.
